

NCFE Meetings and Events

All meetings are held at the [Environmental Learning Center \(ELC\)](#) on the first Wednesday of the month unless otherwise noted. Note that fly tying starts at 6:30 p.m. and the main presentation starts at 7:45 p.m.

June 6th

This is the final reminder for the annual NCFE picnic that is being held this Wednesday, June 6 at Painesville Township Park at [1025 Hardy Road, Painesville Township, Ohio](#). Yes, this is a new location. We have the main dance hall building and patio reserved. For more information on Lake Metroparks facility follow this link: [\(Park Info\)](#) The food will be served at 5:30pm (burgers and dogs). Bring a side dish and your fishing gear (The pier is elevated about 10' above the water so conventional spin fishing is the best option here). Following the meal, there will be a short program, raffles, and fellowship. We hope to see you there.

June 16th

There will be a fly tying and fishing event at the Kildeer Pond at Geauga Park District's [Swine Creek Reservation](#). More details to come...

For both events we will need helpers. If you are interested in helping, contact Joe Wantz or Mark Hickman.

June 23rd

Family Fishing Frenzy at Hidden Lake (assisting beginners). Starts at 5:00pm and goes to 7:00pm.

July 13th & 14th

More volunteers are also needed for fishing activities at the [Farm Fest](#) at [Lake Metroparks Farmpark](#). Both days 4:00pm to 8:00pm.

If you are interested in any of these events, please contact Dana Snyder via email dsnyder@lakemetroparks.com or by phone at 639-7275 x7277.
